

Film Appreciation

We meet on the 4th Monday of each month at 1.30pm in the Northcote area.

We meet to discuss and analyse films. We also make regular trips to the cinema for viewing on the wide screen.

For the reasonable price of a ticket (because we make regular trips to the cinema) you can travel to exotic places, live in danger, and laugh or cry, be in command or on the run. Your life will never be dull or boring if you are with our group. We discuss and analyse films we have seen to give us a deeper understanding of the events we have seen.
