

# Finance and Investment

We meet on the 3<sup>rd</sup> Monday of each month from 9.45am to 12 noon at a member's home on the North Shore

We discuss business and financial issues, superannuation and KiwiSaver, the share markets, international events, housing and anything else in the field. We look at what the better informed commentators are saying. We prepare presentations to the group.

We offer our own opinions as to what the government should do, how to avoid scams, and how to support ourselves and our community.
