

## Garden Visits

*Our Group will enjoy the various aspects of gardens – the pleasures, joy, peace, and proven benefits of nature and gardens*

We meet on the first Tuesday of the month

Assemble at 10.00am at the designated garden

We visit a variety of gardens, large and small, in the wider Auckland area.

To help visits to a diverse range of gardens, it is hoped members will sometimes organize a visit to a garden of their choice.

Carpooling is encouraged
